For a' That, And a' That. BY ROBERT BURNS, 1795.

Is there for honest poverty
That hangs his head, and a' that;
The coward-slave? We pass him by,
We dare be poor for a' that!
For a' that, and a' that,
Our toils obscure, and a' that,
The rank is but the guinea's stamp,
The man's the gowd for a' that,

What tho' on hamely fare we dine, Wear hodden-grey, and a' that; Gie fools their silks and knaves their wine A man's a man for a' that; For a' that, and a' that, Their tinsel show, and a' that; The honest man, tho' e'er sae poor,

Is king o' men, for a' that. Ye see you birkie, ca'd a lord, Wha struts, and stares, and a' that; Tho' hundreds worship at his word, He's but a coof, for a' that; He's but a coor, for a that, For a' that, and a' that, His riband, star, and a' that, The man of independent mind, He looks and laughs at a' that,

A prince can make a belted knight,

Liquor Statistics.

The last quarterly report of the One of the Most Typical Products of Mod-Bureau of Statistics, which is just published, contains some interesting scale, I'll draw the fish." Had be been Sir: I have the honor to acknowl facts regarding the consumption of a shoemaker he might have said, "Show der date Austin, 4th inst., signed by a committee, advising me that a meeting was held in Austin, 30th ult., the object of which was to call a convention to meet in Dallas in May, prox., to set forth clearly and unequivocally:

Inducts of various sorts in this counties, and of the Arab, the tiny shoe of the high-bred woman of China, the wooden dancing-shoe of the Dutch, the high-bred court slipper or the sensible walking shoes of the English and Amerprox., to set forth clearly and unequivocally:

equivocally:

1. The time-honored and cardinal principles of the Democratic party from Jefferson down to the present time, viz: opposition to all forms of sumptuary legislation.

2. A vigorous and well organized campaign against the proposed prohibition amendment to the constitution.

I am invited to be present and to address the convention. The first proposition in the communication couples with the second and assumes.

Spirit, 22,000,000 gallons of wines, and 642,000,000 gallons of malt liquors at readily recognize the characteristics of different districts within a single nation, but the practiced designer must know that in the United States, for instance, your Northerner wants his shoe confortable, neat and stylish: the Southerner asks for something fancy and handsome; the agricultural West demands solidity, fullness, and an article stout to break the land for a coming population.

"A pair of shoes" is one of the most typical products of modern industry. To make them the animal kingdom contributes from the herds reaming on A prince can make a belied knight,
A marquis, duke, and a' that;
A marquis, duke, and a' that:
Guld faith, he manus fa' that!
The flath, he manus fa' that.
The pith o' sense, and pride o' worth,
Are higher ranks than a' that.
The pith o' sense, and pride o' worth,
Are higher ranks than a' that.
The pith o' sense, and pride o' worth,
Are higher ranks than a' that.
The pith o' sense, and pride o' worth,
Are higher ranks than a' that.
The pith o' sense, and pride o' worth,
Are higher ranks than a' that.
The pith o' sense, and pride o' worth,
Are higher ranks than a' that.
The pith o' sense, and pride o' worth,
Are higher ranks than a' that.
The pith o' sense, and pride o' worth,
Are higher ranks than a' that.
The pride of the sense and worth of the constitution to be submitted to a vote of the people is a form of "sumptuary legislation."

2. That the believers in the Domocatic principles taught by Thomas
Jefferson should therefore oppose the
amendment, and as a logical conclusion that the Democratic party, and that only as a political party, adheres to
Jeffersonian Democracy.

A Pretty Kitchen Experiment.
Dissolve a teaspoonful of pure baking
powder in half a glass of cold water and
there is a clear liquid charged with carbonic
acid which, having nothing to act upon,
